

Mad Hatters

Sun Safety

- To apply sun cream with a high factor (each child to have their own clearly labelled with their name).
- Apply sun cream using disposable gloves to minimise the risk of allergic reaction.
- Children to wear sun hats and to cover up, long sleeve tops etc...
- Stay in the shade.
- Not to play outside at midday.
- Make sure the children are given plenty of water to drink.
- Not to stay outside for long periods of time.

If a child has no sun cream or hat then please do not allow outside play.
